Traffic Speed Survey Result Noremarsh Road, Royal Wootton Bassett (30mph Speed Limit)

- East of Washbourne Road

The Results of the survey for the area of Noremarsh Road are provided below.

The survey was carried out between 19/06/2018 and 06/07/2018. A total of 85457 vehicles were checked. The 85th percentile was 33.6mph (the 85th percentile is the speed at which 85% of the traffic is travelling at or below). The average speed was 29.8mph.

As with every other department, we have to target our limited resources to where they will be most effective and as such I would remind you that unless there are exceptional circumstances we will not accept another count request for this location or close surrounding area for another 12 months.

Community Speed Watch does not operate in any speed limit above 40mph.

In a 30mph speed limit the following criteria will be applied;

30 to 35mph 85th percentile = No Further Action (NFA)

35.1 to 42 mph 85th percentile = eligible for Community Speed Watch

Over 42 mph 85th percentile = Subject to Police enforcement

Any other results in higher speed limits will be discussed on their individual basis and merit.

Yours sincerely
